## SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Further to the Information Disclosure Statement filed 4/1/02, the Examiner is respectfully requested to consider the additional references, copies enclosed, which may qualify as prior art. For the Examiner's Convenience, the references are listed on the attached Patent and Trademark Office Form PTO-1449.

The Examiner's attention is drawn to the following commonly-owned patents and unpublished patent applications which may be considered to contain relevant subject matter: U.S. Patent No. 6,610,544; U.S. Patent No. 6,361,999; U.S. patent application serial no. 10/192,241, filed July 9, 2002; U.S. patent application serial no. 09/778,132, filed February 6, 2001; and U.S. patent application serial no. 09/428,562, filed October 28, 1999. Copies of these applications are included for the Examiner's convenience.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is

entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

This submission is accompanied by a check in the amount of \$1,130.00, that includes the fee of \$180 as required under 37 CFR 1.97(c). If this amount is incorrect, please charge any deficiency or credit any overpayment to deposit account 07-1969.

Respectfully submitted,

  
Sally A. Sullivan
